Downloads Selling Price:

This card enables the Buyer to download music directly from the Artist's account, from the Internet. The Buyer may download the specified number of tracks in the top left corner of this card, and will be able to select from any of the tracks that the Artist has placed online.

The Buyer will only be permitted to download songs from the Artist that supplied this card.

To Redeem your songs:

1. Gently Scratch the pincode area with a coin.
2. Log on to www.iSongCard.com and enter the pincode number.

Pincode:

Expires:

SCRATCH OFF AREA

By using this card and service, you agree to the Terms and Conditions as set forth on the www.iSongCard.com website.

Please do not edit this portion of the card. Our automated manufacturing system will fill in the details based on the information provided for your order, including the number of downloads, the selling price of the card and the pincode information for the scratch area.
